SENATOR NICHOL: Mr. Chairman, members of the Legislature, when we discussed this the other day, it was my understanding that the League of Municipalities were in support of this bill and since that time I have had a chance to at least be to my home town and discuss this with the city manager and the officials there and they are not in favor of this bill. So I can't support it at this time. Thank you.

PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: Mr. Chairman, I would just like to clarify something. The League had offered a series of amendments and we discussed them before. The League has said to me and M don't know if they are playing games or not, but they are in favor of a primary but they want a different one. They want one in either September or afterwards or so forth, but that is not the issue. The issue here is to reinstate a primary to first class cities and second class cities do not have it so I would hope that we could just advance the bill. Any further discussion.

PRESIDENT: Any further discussion? The question is the advancement of amended 323. All those in favor say aye, contrary nay. The ayes have it the bill is advanced.

SENATOR DWORAK: Mr. President, I move the adoption of the amendments to LB422.

PRESIDENT: Discussion of the motion. Senator Cavanaugh.

SENATOR CAVANAUGH: I'd like to bracket that when the amendments are adopted.

PRESIDENT: When they are adopted.

SENATOR CAVANAUGH: After the amendments are adopted.

PRESIDENT: Are there any questions on the amendments. The question is the adoption of the E & R amendments to LB422. All those in favor say aye, those contrary say nay. The amendments are adopted. Senator Cavanaugh asks for unanimous consent to ask for the bracketing the amended LB422. Are there objections to the request? Seeing none, it is so ordered. Senator Dworak.

SENATOR DWORAK: Mr. President, I move the adoption of the E & R amendments to LB245.

PRESIDENT: Discussion? Question is the adoption of the amendments to LB245. All those in favor say aye, those contrary say a nay. Amendments are adopted.

SENATOR DWORAK: Mr. President, I move that LB245 be advanced to E & R for engrossment.

PRESIDENT: Discussion of the motion. Question is the advancement of 245 as amended. All those in favor say aye, those contrary say nay. Bill is advanced.
